

# Strategic Partnership for Adult Education “Ways to enhance active aging through volunteering – WEActiveVol”

**ERASMUS+ Programme**

**Project number 2016-1-PL01-KA204-026166**

**Duration: 01.10.2016-31.03.2018**

**1<sup>st</sup> project meeting**

Katowice, 08<sup>th</sup> to 09<sup>th</sup> of December 2016

**Bonjour!**

**Labas rytas!**

**Jó reggelt kívánok!**

**Dobré ráno!**

**Bună dimineața!**

# Objectives

The key aim of the project is to strengthen the volunteering activity among the over 50 people.

The specific goals are aimed at:

- getting familiar with some basic law regulations and statistic data on the volunteering in the partners' countries;
  - exploring the methods of work with the Over 50s volunteers in partners' countries;
  - learning about obstacles, which restrict the voluntary activity among the Over 50s;
  - gaining information about attitude of entities organizing voluntary work towards the Over 50s volunteers;
  - promoting volunteering in partners' countries (dissemination events, leaflet and brochure of good practices).
- 

# Partnership Group

Voivodeship Labour Office in Katowice

E-Seniors Association

National Volunteer Centre  
(Önkéntes Központ Alapítvány)

Volunteer Centre  
(Centrum dobrovolníctva)

Volunteer Centre  
(Centrul de Voluntariat Cluj-Napoca)

Initiatives Network Association  
(Asociacija "Iniciatyvu tinklas")

# Participants

- The target group consists of educators/trainers/coaches active in adult education, volunteer coordinators, project managers, practitioners working in the field of volunteering and active ageing, advisors, decision-makers from the participating organisations.
  - The staff will be exploring the theme of volunteering by exchanging ideas, knowledge, experience and good practices.
- 

# Activities

The main project activities will be concerned with:

- preparing the official project website;
  - publishing leaflet informing about the project;
  - organizing and participating in transnational project meetings;
  - developing two questionnaires in order to carry out opinion polls among the volunteers over the age of 50 and those who haven't volunteered yet and entities being involved in organizing the voluntary work;
- 

# Activities

- carrying out two survey polls by each partner organization among the volunteers over the age of 50 and those who haven't volunteered yet and entities being involved in organizing the voluntary work;
- organizing events aimed at promoting active citizenship of the Over 50s people (for example workshops, seminars, conferences);
- creating and disseminating the brochure containing the descriptions of good practices in the field of the over 50s volunteering in partner countries.
- each project partner will launch a cooperation with the local expert group in order to receive a feedback about the project results in his country.

# Results

## **Outputs:**

project website, 6 meeting minutes, PowerPoint presentations, thematic workshops for the meeting participants, leaflet, questionnaire for the assessment of predispositions to perform a voluntary work, 2 different questionnaires for opinion polls, set of recommendations about the scope of a comprehensive training course in the field of volunteering, dissemination activities aimed at promoting volunteering in partners' countries (report from these activities), final project report, brochure

# Results

## Outcomes:

- exchange of ideas and good practices in the field of volunteering,
- new work and international experience gained by the participants,
- knowledge sharing among the partners: improved or new knowledge/information/ competences in the field of the Over 50s volunteering and active aging,
- improvement of language, intercultural, communication, team – building skills of participants,
- exchange of ideas with network of local expert groups  
(local/regional entities involved in volunteering and active aging).

Thank you for your attention
